David, Gary and I want to welcome everyone to the Tyde Classic. What an awesome field of Coaches and Teams. I am proud to say that each one of these coaches have a passion and respect for the game of baseball and their teams will reflect that same attitude. We added two new teams to the mix this year, Highland Park High School and Richland High School, which we feel will make this tournament even more competitive than ever. Thanks again for spending your weekend with us. Be safe, drive careful and we will see ya soon!
