

Martin vs. Summit

May 8, 2009

The Summit defense caught us three up, three down the first inning but things definitely picked up from there. The second inning started off with a single by Brian Ragira and stealing 2nd on a wild pitch. Kyle Blackwell steps to the plate with an 0-2 count and hits a nice shot over the right field fence, scoring a two run homer. The third inning was a non-stop hitting massacre by the Warriors. Tanner Hapeman starts the inning off by reaching on a walk and taking 2nd on a wild pitch. Jay Hiller is up next with a spectacular bunt reaching first and advancing Hapeman to 3rd. Ryan Walker hits a single, scoring Hapeman and advancing Hiller to 2nd. Brian Ragira “takes one for the team” as he reaches 1st after being hit by a pitch, loading the bases. Trevor Slocum confidently steps to the plate with a “grand slam” look in his eyes and delivers exactly that, clearing the bases. Up next was Daniel Garcia with a walk and taking 2nd on a Summit wild pitch, followed by a single from Blackwell and a walk by Trey Kensing, loading the bases once again. Hapeman hits a single, scoring Garcia, while Hiller hits a sacrifice fly, scoring Blackwell. Walker hits a single, scoring Kensing, followed by a double from Chase Jensen, scoring Hapeman, with a total of nine Warrior runs in the third inning. The Warriors had a mini-massacre in the fourth inning with only five runs being scored. The inning started with Slocum reaching on a Summit error, a double by Keith Carney and a single by Kensing, scoring Slocum. Trey Thompson comes in and hits a two run double followed by a single run double by Walker. Jensen hits a single, scoring Walker for a total of five runs scored in the fourth inning. No runs were scored in the fifth inning.
