

The Diamonds At Martin

Facility Enhancement

Benefitting Warrior

Baseball and Softball

Student Athletes at

Martin High School

Become a

Champion today . . .

be part of

Warrior history forever.

The Diamonds At Martin

The Baseball Booster Club & Softball Booster Club at Martin High School have begun an exciting project to improve the facilities at Martin High School and help our student athletes prepare and compete at the highest level.

The 'Diamonds At Martin' project will add a new state of the art Softball Practice Field, a new state of the art Baseball Practice Field and a 10,000 square foot Indoor Training Facility to the North end of our property.

The Indoor Training Facility will be available in all weather conditions for hitting and training of Softball and Baseball Players. This will allow MHS to keep pace with the other Programs in our District and allow our athletes to compete at a Championship Caliber for many years to come.

We plan to construct the total project in two phases, and complete both phases within 24 months.

Phase I – *Baseball and Softball Field*

Phase II – *Design and Approval of Building Plans and Building Construction*

All improvements will be privately funded through Baseball and Softball Booster Club Fundraisers and Private Contributions.

To accomplish this construction, we need to raise:

\$85,000 for Phase I
and
\$165,000 for Phase II

Become A Champion

Contributions are being accepted now to build these new facilities. Contributors will be recognized on the Warrior Wall of History with a Bronze, Silver, Gold and Platinum Plaque with your name. This plaque will be proudly displayed and maintained on the Warrior Wall of History at Warrior Field.

BRONZE  **CHAMPION**

\$150-\$499 Contributor

SILVER  **CHAMPION**

\$500-\$999 Contributor

GOLD  **CHAMPION**

\$1,000-\$4,999 Contributor

PLATINUM  **CHAMPION**

\$5,000 + Contributor

You can be a part of the 'Diamonds At Martin' initiative by becoming a Champion today — your contribution will make a difference for every Warrior student athlete who competes at Martin High School . . .

For more information on the 'Diamonds At Martin' please contact John Witte with the Warrior Baseball Booster Club at 817-561-2293.
